About	<p>A leader in the clean energy transition, with a clear strategy to achieve net-zero carbon and methane emissions. Employs over 17,000 people in 16 states, providing reliable, affordable, clean energy to nearly seven million customers.</p> <p>In 2020, Dominion Energy committed \$25 million to be shared by 11 HBCUs in Virginia, Ohio, North Carolina and South Carolina. The six-year "HBCU PromiseSM" program will support endowments, capital projects, operating expenses and educational programs in clean energy. Also established the Educational Equity Scholarship Program, a six-year, \$10 million initiative to provide assistance with higher education expenses to African American and other minority students in their service areas.</p>
